C4 The Building Design

Introduction

C4 - The Building Design (i_Architect), founded in 2007. We are a private company that specializes in conceiving modern, high-caliber solutions for architectural design and urban planning projects. we service the Middle East and Gulf Area in progressive architectural design and supervision. Our team of Architects has successfully developed functional and meaningful projects in the KSA, Syria, Morocco, Bangladesh, India and Egypt.

We have positioned ourselves as the choice for those who value quality, creativity, and distinction. The i_Architect design and supervision procedure is based in rigorous research and experimentation. We work hand-in-hand with our clients on design strategy, and involve them in all the processes of development. The objective in each of our designs is to enrich spatial experiences and provide an ideal modern living environment.
