### [Ecoslim tablet orlist](#)

Ecoslim looks like a small pumpkin, Garcinia Cambogia's capsules contain allow you to lose weight and burn excess fat. The box containing 30 capsules is enough for one month.

Like any other herbal supplements and natural ingredients, Cambodia Garcinia should be taken from 30 to 60 minutes before meals twice a day. Pre-breakfast and dinner are preferred. Pay attention to dosage; Although the product is a natural supplement it is recommended not to take doses higher than twice a day. Other precautions should be taken, such as junk food, fast food, (pizza burger) oily food etc.
