<b>Contact Person</b>	Sarfraz Ahmed
<b>Mobile Number</b>	03004443035
<b>Email</b>	info@hairzone.com.pk

[Hair replacement in Lahore](#) system is the non-surgical hair loss solution option. Hair replacements are safe alternatives to hair transplants, micro-grafts [surgical hair restoration](#), or chemical medications.

Some [hair replacements](#) are permanent for several weeks with the use of medical adhesives, bonding, or integration. In a non-permanent attachment, special tapes are used and need to be replaced every few days
