Hanpak JSC established in Vietnam is specialized in producing custom plastic bags to export to all over the world.

Our main products include: Garbage bag (Draw tape bags, S shaped handle bags, C-fold, Star-seal bags), Flat bag, Bag on Roll, T-shirt bag, Block-head bag, Mailing bag, Stretch film, Luxury bag (Die cut, Patch handle, Soft loop with block bottom or cardboard (if any)), Zipper bag, etc.

All Hanpak's production and business activities follow the business philosophy "Your trust, Our success". Hanpak prides to be one of the prestigious custom plastic bag manufacturers in Vietnam in plastic packaging supply.

Hanpak commits to excellence from smallest details, creating a solid foundation of a powerful, sustainable and high valued enterprise both in domestic and foreign.

We never compromise on our quality standards to offer customers the best products. We understand that customers are the most important part of our business, so customer's full satisfaction is reward for our tireless effort.

Besides, Hanpak's team is built by elite members who always understand plastic bag markets and try their best to meet wishes as well as demands of customers perfectly.

With more than 20-year experience and high professional qualification in plastic packaging, we believe to bring customers:

- good quality products
- reasonable price policies
- professional customer services

Each of our products is made with our whole enthusiasm, strict management and high quality resin. We're always looking out in your request for just the right balance between cost and quality. Therefore, we are confident to bring you most wonderful bag choices.
