[Ideaz](#) is founded by a team of avid entrepreneurs in the March 2016.

Ideaz is Pakistan's largest Agri Inputs Marketplace Platform providing wide choice of quality inputs to farmers at their doorstep.

Ideaz is bringing accessibility of quality agricultural products and personalized advisory by leveraging its Technology offering for farmer empowerment.

Ideaz has adapted multichannel strategy to reach out growers across Pakistan and addressing their Agricultural Input needs. Our portfolio offering includes broad range of Seeds, Plant Protection, Plant Nutrition and Agri Implements. Our clientele includes farmers, nurseries, FPOs, NGOs and other institutional growers.
