ilaan.com - simple and easy solution for listing and showing properties on internet to country audience via our intelligent products to the people! who is looking to buy, sell or rent out property.

We come up with the core concept of “we find you home!” as we understand buying a home is once in a lifetime decision and no one wants to invest on something which doesn’t worth it. So, how to decide which area suits you and where exactly to invest your money? That is where we believe ilaan.com will help you in finding your best home not only house.

This showcases our strong connection with each stakeholder of real estate domain from real estate agency owners to buyers from public to investors. It is going to give a true online business experience to real estate agencies around the country to present them truly on each property listing along with quick and responsive communication channels. Every query means potential business to them and ilaan.com shall be the one business alliance to trust on in this respect. Ultimately, we are going to create and maintain an emotional connection among the trio of real estate agency, seller and buyer.

Each aspect of property shall be covered by the dedicated teams of ilaan.com in terms of property details and its presentation in products – high resolution photographs, architectural idea of home, property history, market valuation and much more intelligently designed products to give enough idea of the property before making appointment to visit the property.
