This is Rashid Nawaz Khan from **Khan Silk Fabrics**, where we weave different kinds of Chiffon Fabrics ranging from exclusive Bemberg Chiffon and also varieties in Viscose Chiffon and Raw Silk Fabrics.

With the blessing of having bulk production at one unit setup we ensure quality weave of the fabric keeping in view the sheer feel and delicacy of Chiffon fabric thus ensuring that no fabric gets wasted during any of the processing carried out by our customers.

We already are doing business with few of the top-line clothing brands of the country i.e. MARIA B, KHAADI, SAPPHIRE, ZARA SHAH JAHAN, ANNAYA other designer and casual/formal wear clothing brands.

List of our Products:

- Bemberg Chiffon
- Premium Viscose Chiffon
- Viscose Chiffon
- Raw Silk

All of these varieties can be dyed, have embroidery and printed as well.

We would like to extend our business ties with your reputed brand/company as well as our fabric is largely consumed in your articles.

Hope you will reach us out by checking the Email and In shaa ALLAH you will find superiority in our fabrics as compared to the Chiffon and other Silk fabrics you are already consuming.

Looking forward to reading/hearing from you.

Regards.
