[Leaders92](#) is world best Real Estate Marketing and Developers firm. Real estate can include property, land, buildings, air rights above the land, and underground rights below the land. The term refers to real or physical property. As a business term, real estate also refers to producing, buying, and selling property. It affects the U.S. economy because it's a critical driver of economic growth.

There are alot more opportunities to invest in different projects of Leaders92 and generate exceptional profit. As it is world leading marketing and development company working since 2010. Leaders92 is responsible for Marketing&Sales, Construction, Developments, and Real Estate Consultancy. Its core projects include Ecstasy Park, Business Bay, Business Lodges, and Margala Hills.

The Life Residencia is also one of its project and it is located near to Islamabad International Airport. The Life Residencia Islamabad is Pakistan's first ever Society that provide multiple facilities . This project is backed by Leaders92. The key advantage is that it is located nearer to the motorway and ring road. Plots of different measurements are available in smart installments.
