we have millions of moringa nursery plants(2 to 5 feet tall) and seeds for sale. Delivery is available for all over the Pakistan. This moringa nursery has been established at our Pattoki nursey farm in the heart of Punjab province of Pakistan to cater the needs of local farmers and industries. We are growing this nursery under supervision of agronomy and horticulture specialists where SPS (sanitary and phyto sanitary) conditions are ensured. Moringa oleifera is a plant that has been praised for its health benefits for thousands of years. It is very rich in healthy antioxidants and bioactive plant compounds. So far, scientists have only investigated a fraction of the many reputed health benefits. Moringa is known around the world as a rich source of vegetable protein (30%).
