**Established in 2007 MULTI PACK** introduces itself as one of the leading manufacturers and exporter of Plastic Products from Pakistan, Our customers are Food Products Manufacturers, Agri Companies, Production Houses, Dairy Product Manufacturers, Fruit Growers, Vegetable Growers, Textile Companies, Auto Parts Manufacturers, Frozen Food Manufacturers and etc.

**MP crates are among the largest selling brands in Pakistan.** It covers virtually every size from jumbo to compact, besides offering numerous varieties of specialty crates. Our Crates are manufactured at some of the country's most advanced plants, to the most stringent standards in the industry. We use the best raw materials, performance-enhancing additives and color pigments. Not surprisingly MP Crates come packed with powerful features and quality that's second to none.

Tough, lightweight and hygienic, they are also crack, chip and corrosion resistant, space-saving, economical and environment friendly! Excellent and efficient service to win the majority of customers support and trust. Our philosophy is: To the quality strives for the survival, reputation and brand. Our products are widely used in food and many other industries. Any time, we are eager to cooperate with you sincerely, and jointly create a better future, for the development of Pakistans logistics industry to provide better service.
