In Pakistan Allergy and Asthma Centre, we do the skin allergy testing for the diagnosis of Food and environmental allergies and immunotherapy vaccination against the allergies. Our vaccination is imported from USA.

We also deal in Skin problems --> Whitening, acne, Melasma, Vitiligo, Psoriasis.

Cosmetology: Skin Whitening, Treatment of Acne scars, Hair growth on the face,

We have the magic treatment for hair fall including Capsule for hair fall, and oil for hair fall which reduces hair fall in 15 days. Total course is of 4 months.

We also run the Obesity clinic, weight gain clinic.

Asthma, Hay Fever, Allergic Rhinitis, Chronic Urticaria, Tinea corporis, Hair fall and weight management is over speciality.

You need to give time to you for your better health, we are just the co-sponsor.
