Sarim and Co. were established in 2018, is a leading agricultural company in Bahawalpur. We engaged in the manufacturing activities of agrochemicals, pesticides, and technical products for agriculture purposes. Its segments include Formulated Pesticides and Technical Pesticides. The Formulated Pesticides segment consists of pesticides, herbicides, fungicides, and plant growth regulators. Technical Pesticides are the basic active ingredients used for making formulations so that they can be used directly by the farmers and/or consumers. Its products include formulations, technicals, and household products. The Company caters to both domestic and international markets. The Company's products are available in over 120 formulations and approximately 20 technicals.
