[Souk Apna](#) (Private) Limited is a subsidiary of Souk Network Limited. [SoukApna](#) is a grocery and consumer products web store which aims at saving users from the irritation of going out and buying every day necessities. The online store brings to you different categories such as biscuits and chocolates, breakfast & dairy, grocery and Staples, beverages, baby & kids and Pet Care. You can choose from thousands of products. [SoukApna](#) is currently delivering in Lahore only.

[SoukApna](#) aims to evolve the grocery service and consumable goods industry in Pakistan and we aim to target the people who lead a busy lifestyle to shift them from the traditional method of grocery procurement to a more advance online mode. We will ensure a hassle-free shopping experience for our customers, so that they can spend valuable time and energy somewhere else.

[SoukApna](#) aims to be a very customer centric organization. We intend to focus on complete customer journey of our customers, starting with ordering quality products at competitive pricing, on time delivery and hassle-free return policy.
