Is Dubai a budget-friendly spot? No Dubai isn't the most budget-friendly vacation spot and there are a lot more low-range to luxury spots than budget but that's not to say you can't find something to suit you. A lot of words come to mind when you think of Dubai, but 'affordable' probably isn't one of them.

Dubai is a key attraction for international visitors and the best place for hospitality and tourism. Dubai is the city of lights and is popular with celebrities, full of luxury shops, superb skyscraper, incredible attractions with luxury accommodations, international chains of hotels, all-inclusive resorts to local beds and breakfast.

Dubai has numerous types of places to stay for your memorable holidays. We have identified four main areas in Dubai that could possibly be the best place for you to stay in: near Burj Khalifa (Dubai's Downtown), Jumeirah Beach, Dubai Marina and The Palm Jumeirah.

STAYING NEAR BURJ KHALIFA

Burj Khalifa is the highest building in the world and is located at the heart of Dubai's Downtown area (also known as Downtown Burj Dubai), which is next to to ever-busy Sheikh Zayed Road. In the neighborhood of Burj Khalifa you'll find several [luxury hotels](#), all with a great view. Most of the hotels here boast jaw-dropping views of Burj Khalifa and Dubai Fountain, a huge fountain with unmissable water shows. This area is also where the world largest shopping center is located - Dubai Mall. Souk Al Bahar, an outdoor commercial area with several restaurants, is also one of the highlights near Burj Khalifa. The Burj Khalifa area is perfect for everyone who wants to feel at the center of the action with easy on-foot access to nearby attractions. Here is the list of [hotels in Dubai](#) with a best view and some are very close to Burj Khalifa.

STAYING AT JUMEIRAH BEACH

You are surely aware from the image of Burj Al Arab kind of floating over the water as it is the classical Dubai's postcard image. Burj Al Arab is also that 7-star hotel that captured the attention of separated travelers. Jumeirah Beach is a white sand beach with warm turquoise waters that stretches from north Deira (Old Town) to Dubai Marina district in the south. This is a great location to stay in case your primary goal is to be directly by the beach. Make no mistake: at Jumeirah Beach you'll also find many restaurants and shops, especially if you stay between Burj al Arab and Madinat Jumeirah complex, which is the epicenter of this area. You will find [the best hotels of Dubai](#) there.

STAYING NEAR DUBAI MARINA

Dubai Marina district, south of Jumeirah Beach and established in 2003, is a man-built canal, closely populated by high-rise buildings. The second highest building in Dubai and one of the tallest buildings in the world is residential-only Princess Tower. At Dubai Marina we can find Dubai Media City (a state-of-the-art regional media hub) and Dubai Internet. If you enjoy night wanders we recommend a visit to Dubai Marina Walk, an outdoor venue where restaurants and bars are abundant. [Hotels in Dubai Marina area](#) are housed in skyscrapers with fascinating views (specially as the night falls and the lights start to lit up) or near Marina Beach (sea views in the front, skyline view on the back). It wouldn't be Dubai if there wasn't a large shopping Mall in the district - in this case Dubai Marina Mall, one of the largest malls in Dubai. Both Jumeirah Beach and The Palm are a short-drive away.

STAYING NEAR THE PALM

A floating palm in the Persian Gulf. What started to be a dream soon became a real project and, by the end of 2014, The Palm Jumeirah artificial island was finally completed. Would you slightly be away from it all and relax next to a perfect private white sand beach? In that case, you have found the right place to stay in Dubai. Happily for you, there are [many luxury hotels at The Palm](#) to stay in. For sea views, this is most probably the best place to stay in Dubai. Dubai's skyscrapers will be distantly on the horizon so you never forget there is an exciting metropolis ready to be explored. Know that by staying in The Palm you will always need car transportation to reach Dubai Downtown, Jumeirah Beach or Dubai Marina. Again, this is the place to stay sufficiently far from the city to rest your body and soul but at the same time only a 20-minute drive to Dubai's major attractions.
