Get ready to find your ideal home in Grand View apartments. Not just an ideal apartment with a great view, but the one that is equipped with international level kitchen

(Chutes), plasma screen television, built-in Wi-Fi high-speed internet access, maid service and security cameras. Each bedroom has been built spaciouly along with complimenting

lavatories, with a nice capacious state of the art kitchens. Add in a living and a dining room which are truly built for comfort.

What else could you possibly ask for? Especially when these luxurious apartments are available to you at an economical and affordable price range. Comfortable apartments in the

city are the best options for single occupancy, couples, small families and especially for working professionals and students. Now imagine a grand building to go with your

lavishing apartment. It would be even better if the building has a pick and drop service from the airport, an underground self-parking, maintenance, and repair service, party

hall, laundry & dry cleaning, 24 hours porter service, health club and a coffee shop.

VESTA Developers Chartered Town Planners have actually outdone themselves with Grand View Apartments building. Grand View is actually a star property in the portfolio of VESTA

Developers Chartered Town Planners. The building is situated in at one of the posh areas of Lahore thereby, providing each apartment with a spectacular view. With so much luxury

and surplus comfort, all you need to do is find yourself an apartment that fits your needs.
