CCTV Camera Installation & Configuration course in rawalpindi islamabad murree jhelum 3035530865, CCTV technician Course in rawalpindi pakistan chakwal jhelum gujrat 3035530865, World Wide Acceptable with UK/USA/Pak/U.A.E/KSA/China/ International Certifications in Rawalpindi, Islamabad, Installation & Configuration Course in rawalpindi pakistan chakwal jhelum gujrat 3035530865, islamabad rawalpindi 3035530865, Admission open We offers specialized and centralized fully equipped computer lab, various professional lecture rooms with multimedia for audio /video visual aid, Conference hall, hands-on supervisory experience in service and operations, Admission open for admission and queries call 3035530865 This Complete CCTV Installation Course is designed for those who wish to enhance their skill in the installation of the latest analogue and digital CCTV equipment, including IP technology used in today's security industry. With the practical experience gained from this course you will have the knowledge and confidence to build and program small to medium sized CCTV systems. This training course has been designed and developed to take a trainee Technician or Electrician through the technical requirements that are needed to install a modern CCTV system in a commercial application. The course content was developed to help the technician to understand the concept of CCTV Technology through various stages The trainee will work on products from different manufacturers to gain a broad range of experience and proprietary knowledge on common commercial systems within the Australian security Industry. One of the primary outcomes is to enable a technician to install and maintain a system that will carry out the functions for which it was designed to do, with the minimum amount of disruption to either the

customer or the security services.
