### Top 5 Dermatologist in Islamabad

Being the Large parts of our body, the skin is the one organ or part that escapes everything of what we are made of the whole. With regards to our body weight, skin form 15% of it and an average adult has around 21 square feet of skin. Well, these are a few basic important facts about our skin and being our biggest part or organ, skin also need some special care as this is the one part that we can touch & see every day. If something is happening wrong within our body skin is the one organ that can communicate to us by showing us some specific movement's signs. Below we share is a list of some of the [Top dermatologists in Islamabad](#) that you can go to if you find anything wrong with your skin you can contact with them.

**Dr. Ghazanfar Ali** MRCP Dermatology, MRCP Medicine, MRCGP is one of the big names in the field of Dermatology and Cosmetology. He is world renowned and well-published dermatologist. He has trained and worked in the best University hospitals in the United Kingdom. He is currently actively working in the National Health Service in the UK. He is currently the only UK trained dermatologist working in Pakistan with CCT (certificate of completion of training) in Dermatology. CCT is considered by the General medical council of UK (GMC) to be the highest in the field of dermatology enabling a doctor to work as a full-time consultant.
