SALAM PLANET took a happy start from Denmark in 2017 with the vision of being the first all-around Muslim lifestyle app, and with a focus on the Muslim community. Salam Planet taps into the new generation of millennials, but with keeping “Generation M” along, it aims at providing a platform for entertainment, events, restaurants, hotels and much more! Salam planet bring you great features for complete lifestyle app solution, join global Muslim community, Salam Play; SalamPlay provides a high-end quality platform for ultimate entertainment. Watch, follow, and share your favorite lifestyle vlogs or series you love. There’s ample music, sports, traveling, and related content to keep you focused towards the mobile screen. We believe in keeping you content through the simplest yet a valuable means of leisure. Spirituality; Master the learning and practice of your Islamic journey through our ‘Spirituality’ section of the app. You will find an Islamic calendar, upcoming prayer times, Quran and Surah’s, and Dua segment that appeases the need of your various moments. The aim is to add value to nurturing of your soul through a seamless platform of knowledge – as needed Log- on and Join us in this beautiful journey.
